

# Local Batch Print Test

(Front Page 1 of 2))

Source: Print Server 1

Printer Name: \_\_\_\_\_

This is a test from the new  
CSE Otech Local Batch  
Print Servers

Please take the following steps:

- 1) Collect 'Test Pages' from all printers and give them to your manager.
- 2) Confirm test page from 'Print Server 1' printed on each local batch printer
- 3) Confirm test page from 'Print Server 2' printed on each local batch printer
- 4) Make sure documents printed duplex.
- 5) Email [john.mccloskey@dcss.ca.gov](mailto:john.mccloskey@dcss.ca.gov) to acknowledge receipt of each test page.
